## About Me

# About Me

I'm a Full-Stack Web Developer with a passion for creative design and problem solving. I have 3+ years of professional work [experience](#) in all phases of the development process. I believe coding is an artform and I work hard everyday at mastering my craft.

## Strategy

I collaborate with clients to transform raw ideas into well thought out designs.

## Responsive

Experienced in creating responsive layouts that look great on all devices.

## UX/UI

I create websites with intuitive UI patterns and simple interactions.

## Code

I focus on writing SOLID code that is efficient, modular and easy to read.

# My Projects

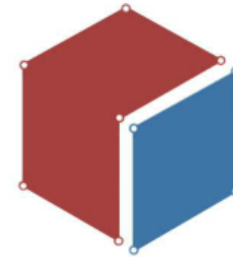

Here is a collection of some of my past projects. You can head over to my [GitHub](#) if you'd like to see more.
